Special Memo. No. 180.

# Office of the Dewan of Mysore,

NOTE.

*Dated* 3rd September *192* 7.

I understand that the District Board has not made much headway with the Lottery that has been organised to give relief to the sufferers in the last Exhibition. The response so far received is stated to be very poor. This is probably due to the fact that the lottery has not been sufficiently advertised in the local and outside papers.

The President, District Board, may kindly be requested to take more vigorous steps to make the Lottery popular, especially as the closing date is fixed for the 15th instant.

Dewan.

Sir,

In acknowledging your letter No. D. 2360-1/Eg. dated 3rd instant, I have the honor to state that the 2,000 Books of 50,000 tickets of the Lottery were received from the Press on the dates noted in the margin. They had then to be checked and each ticket stamped with the seal of the District Board and the Chairman. While this was being done, intimation of the lottery was advertised in the Daily Post, the Vakkaligar Patrika and the Prajamitra and 10,000 leaflets printed in Kannada, English and Hindustani were freely distributed locally and also despatched to muffusil places.

| Total.. | | 2000 " |

200 large placards in English, Kanarese and Urdu were also posted in the principal parts of the city and copies sent to the moffusil.

Of the books received, 120 were distributed to almost all disbursing officers in the Offices of the City and to several agents in the City and Civil and Military Station, and 680 books are in the course of despatch to the taluk Amildars.

Enquiries and remittances are beginning to arrive

rom the above sources, as also from persons in distant
laces like Surat, Nowsari, etc., and things are begin-
ing to look brighter, and the collection up-to-date is
. 6[illegible]6/-.

All this has been done in the space of about 20
ys, and agreeably to instructions conveyed in your re-
rence under advertance, further advertisements have
his day been sent to the marginally noted journals.

No act necessary to the success of the Lottery
s been overlooked or delayed, but caution has been exer-
sed to keep the expenditure down as low as possible
mpatible with the success of the Lottery operations.

The lack of headway observed by Government is due
the people having had to contribute to Mahatma Gandhi's
it and the Silver Jubilee which temporarily placed
em out of pocket, but with the lapse of a little time,
ings are likely to improve and the Committee is
nuously endeavouring to complete the sale of the
ets by the 5th October next, the date fixed for
turn of the counterfoils recently by the Committee in
ir meeting dated 1st. September 1927.

I have the honour to be,
Sir,
Your most obedient Servant,

G M Keelkar

Chairman, Lottery Committee.
